

Save the Date for Hanover's 3rd Annual Global Youth Service Day for April 23-25, 2010. Hanover County Department of Community Resources Department was selected again as one of four agencies from across the state (and one of 84 agencies from across the country) to serve as a Lead Agency in 2010.

As a Lead Agency, the Department of Community Resources will facilitate Hanover's third annual countywide youth service weekend by coordinating projects and mobilizing volunteers to participate in the 22nd Annual GYSD. Our goal this year is to engage at least 19,000 volunteers and make an even bigger impact of serving the Hanover community and beyond. So, mark your calendars now and join the millions of youth helping their communities worldwide in April. For more information call Kara Dunleavy at 365-4180.
