Lieutenant Nathan J. Webel Awarded National Certification

For Immediate Release: Lieutenant Nathan J. Webel has received the national designation of Certified Jail Manager, (CJM) through the Jail Manager Certification Commission, by authority of the American Jail Association. Lieutenant Webel is one of just 399 jail professionals nation-wide to have achieved this designation.

This certification has been achieved through the successful completion of a rigid experiential background application, and an intensive written examination prepared by the Commission and the American Jail Association.

Certification in jail management is a demonstration of competency and professionalism in the field. The Jail Manager's certification documents the mastery of a strong level of knowledge in the specialty, and demonstrates continuing education and growth.

Since being hired by the Pamunkey Regional Jail in August 2003, Lt. Webel has served in many of the jail's areas, including Security, Administration, and Internal Affairs. Currently, Lt. Webel supervises the Support Services section, which includes staff training, inmate programs, inmate hearings, commissary, inmate mail, visitation, road crew (trash pickup) work force and work release.

Lieutenant Webel is a member of the American Correctional Association (ACA), and the Virginia Association of Regional Jails (VARJ). He has completed extensive instruction on Executive Leadership-Upper Level Management Training, and is currently completing his Bachelor of Science in criminal justice.

Lt. Webel is the third officer from the jail to receive this designation, following Superintendent Willett in 2007 and Major Bennett in 2008. For more information on the Jail Manager Certification, please contact the American Jail Association, 301-790-3930 or www.aja.org.
