

Hanover Crime of the Week

**From: Lt. Doug Goodman
(standing in for Ron Brown for 7-12&13)**

Date of Release: July 8, 2004

This week CrimeStoppers needs your help in solving several grand larcenies.

During the early morning hours of May 4, 2004, two vehicles in Mechanicsville were “stripped” of their wheels and items were stolen from the interior. In both cases, valuable audio/visual components were stolen, as well as the tires and rims.

In addition to these two cases, there have been similar reported cases in the metro area. We encourage all of our citizens to take extra care in locking their vehicles and keeping valuables safely out of view.

If you have any information about this crime or any crime in Hanover, Henrico, Goochland, New Kent, the City of Richmond, or Charles City call CRIME STOPPERS 780-1000. You do not have to give your name or testify in court. You will be given a code number to protect your identity, and your information, if of value to the police, could be worth up to \$1000 in a cash reward.
