The Hanover County Sheriff's Office concludes a recent death investigation.

On Wednesday, December 19, 2007, at approximately 4:00 p.m. the Hanover County Sheriff's Office responded to the 10000 block of Providence Church Road for a report of a deceased body, which was discovered by two citizens. Upon arrival, it was confirmed that a deceased body was inside this abandoned residence, so an investigation into this incident ensued. Subsequently, the body was transported to the Office of the Chief Medical Examiner (O.C.M.E.).

After a thorough examination of all evidence at the scene and collaboration with the O.C.M.E., there is no indication of foul play in this case. The decedent has been identified as John B. Johnson, who was a 63-year-old male of the 12500 block of Elmont Road, located in Hanover County. Our deepest sympathy goes out to his family during the difficult time.
