Arrests Made in Series of Residential Burglaries

The Hanover County Sheriff's Office, the New Kent County Sheriff's Office, and the Henrico County Police recently coordinated their efforts in the investigation of a series of daytime residential burglaries occurring during the months of March, April, and May of this year.

As a result of this investigation, Michael H. Ramsey, 30, and September S. Canada, 25, both of the 4700 block of Mountcastle Road in Providence Forge, VA, have been arrested and charged with multiple counts of burglary and grand larceny. Ramsey is currently incarcerated in Henrico Jail and Canada has been released on a secured bond.

Ramsey and Canada have been linked to three cases in Hanover County, two cases in New Kent County, and four cases in Henrico County. Investigators have recovered additional stolen property and are continuing to work diligently to recover additional property and potentially link these two individuals with other crimes.

Michael Ramsey

September Canada
