The Hanover County Sheriff's Office is sad to report the deaths of a Mechanicsville couple as a result of an apparent domestic dispute.

A 47-year-old male and a 36-year-old female were discovered deceased inside their home in the 8200 block of Lucille Road in Mechanicsville. Deputies entered the bedroom of the couple just after midnight on July 1st and discovered the couple dead.

Early in the evening on June 30th Deputies responded to the residence after receiving a call from a juvenile male. Deputies arrived and were directed to the upstairs bedroom where the couple were reported to be. Deputies found the bedroom door locked, and because of several reported weapons in the room, they attempted to make verbal contact. After receiving no response, after constant attempts, the room was entered and the discovery made.

Investigators are continuing to collect and evaluate the evidence at the scene and the medical examiner will determine the exact cause of death. Pending notification of the next of kin, the names of the deceased will not be released at this time.

Our thoughts and prayers are with the family, as they attempt to cope with this tragedy.
