Thanksgiving dinner comes one day early for some seniors in Hanover County!

With a generous contribution by the Mechanicsville Rotary Club, the Hanover County Sheriff's Office will be delivering Ukrop's Thanksgiving meals to 14 senior citizens who have been "adopted" by patrol deputies as part of the Sheriff's Office's Adopt-a-Senior program. The meals include turkey with all the fixings and dessert.

The dinners will be picked up at **11:00 a.m. on Wednesday, November 21, 2007** at the **Ukrop's** located on **Bell Creek Road** in **Mechanicsville**. Deputies, armed with their meals, will then travel across the county to deliver their packages and share some fellowship with their "adopted" senior.

Those who are a part of our Adopt-a-Senior program are seniors who do not have family nearby and are in need of a little extra attention. Deputies who adopt a senior check on their senior during their work week to ensure their welfare.

The media is invited to attend this event. If you are interested in attending, please call Lt. Kenny Epling at (804) 365-6434 or (804) 350-7515.
