### **Two individuals involved in a murder-suicide incident are identified.**

Both of the deceased individuals involved in the murder-suicide incident reported earlier today have now been positively identified as William N. Smith, a 44-year-old male, and Tracy L. Smith, a 39-year-old female, both of the 9400 block of Williamsville Road. While the final cause of death will be officially determined by the Office of the Chief Medical Examiner (O.C.M.E.), a thorough examination of physical evidence at the scene seems to indicate that William Smith shot and killed Tracy Smith during the course of a domestic dispute. William Smith then shot and struck a 21-year-old male, who was able to escape from the residence. Subsequently, William Smith died from an apparent self-inflicted gunshot wound.

Again, the Sheriff's Office would like extend our deepest sympathy to the families of the deceased and the victims who survived this incident who are left to deal with this tragedy.
