UPCOMING SOBRIETY & TRAFFIC CHECKPOINTS

The Hanover County Sheriff's Office will be conducting a *Sobriety Checkpoint* on **Thursday, July 3, 2008**. The exact time and location is not being released. Officers will stop all vehicles passing through the checkpoint. Each driver will be advised of the purpose of the checkpoint and requested to present their drivers license. Any driver suspected of operating a vehicle while under the influence of drugs or alcohol will be directed to a safe area off the roadway for further observation and possible testing for intoxication.

The Hanover County Sheriff's Office will also be conducting a series of *DUI Patrols* throughout Hanover during the **4th of July weekend**.

Unfortunately, the holidays are linked to one of the deadliest times of the year on the Commonwealth's highways. Statistics from the Virginia Department of Motor Vehicles indicate there is an increase in alcohol-related traffic crashes and fatalities during the holidays. Although some headway has been made in reducing the number of intoxicated drivers, an increase in the death rate and the average blood alcohol content of tested drunk drivers indicates significantly more progress is needed.

The maximum penalty in Virginia for the first conviction of driving under the influence is 12 months in jail, a \$2500 fine and a 12-month suspension of driving privileges.
