Changes to the Personal Property Tax Relief Act (PPTRA) of 1998

For taxpayers that are delinquent. Do not get caught by the changes in PPTRA that are about to occur! What does this mean to you? The more timely taxes are paid by Hanover County citizens, the more relief Hanover citizens will receive from the State.

Beginning, in 2006, the State will no longer provide PPTRA on behalf of delinquent citizens, putting the burden of payment on you the taxpayer! For example:

	Tax Levy <u>Amount</u>	PPTRA	Taxpayer's Principal <u>Responsibility**</u>
Payments before 9/1/2006*	\$100.00	\$70.00	\$30.00
Payments after PPTRA changes	\$100.00	\$0.00	\$100.00

*State relief may expire before 9/1/2006, if funding is not available.

**Does not include penalties and interest

Bottom Line: Pay now to avoid paying higher taxes later!
