

Commercial Account Sub-classification Code System

The account sub-classification code system is designed to manage industrial and commercial customers based upon two-letter codes that represent the nature of their discharge. A simple two-letter sub-classification system allows us to manage data for the non-categorical industries and businesses as well. The two-letter system is a simple way to allow users of the billing system to sort data.

Account Sub-classification Code System

Code	Description
AS	Adhesives and Sealants
AU	Automotive Plants
BM	Battery Manufacturing/Repair
BP	Bottling Plants
BR	Breweries
CA	Canneries
CH	Church
CL	Classified or Restricted Facilities
CN	Construction Meter
CO	County Facility
CS	Convenience Store
CT	Centralized Waste Treatment
CW	Car Wash
DA	Dairies & Cold Storage
DC	Day Care with / without Food Preparation
EL	Electroplating / Metal Finishing and Mfg
FA	Farms (other than household water use)
FD	Film Developing
FH	Funeral Homes and Mortuaries
FP	Food Preparation / Processing / Distribution
FR	Furniture Refinishers
FS	Fire Stations / Fire Systems
GR	Groundwater Reclamation
HB	Health & Beauty / Hair & Nail Salons
HO	Hospital / Clinics
HR	High Rise Buildings (4 or more stories)
IS	Irrigation Systems with backpressure potential
IX	Irrigation Systems without backpressure potential
LA	Laboratories

LD	Laundry and / or Dry Cleaners
LF	Landfills
LG	Lawn & Garden
MD	Medical / Dental Offices
ME	Metal Processing Plants
MF	Multi-Family Residential
MH	Motel / Hotel
ML	Multiple Tenants, Mixed Discharges
MM	Monitoring Manhole
MP	Machinery and Mechanical Products Mfg.
MS	Machine Shop
MT	Medical Treatment Facilities
NH	Nursing Home
NP	Non-Profit Housing Facility
NR	Non-Revenue Account
OB	Other Business
OR	Other Residential Institution
PC	Pesticides / Chemical Manufacturing & Storage
PF	Plastics Forming and Molding
PG	Packaging, Multiple Products
PI	Printing Inks Manufacturing / Blending
PK	Parks
PM	Pharmaceutical Manufacturing
PO	Poultry Processing
PP	Pulp, Paper, and Paperboard Mfg.
PR	Printer
PS	Pump Station
PT	Petroleum Refining and Storage
PW	Power Generation
RA	Radioactive Materials / Nuclear Plants
RE	Restaurant
RH	Recreation Association & Centers
RS	Rescue Squads
RU	Rubber Plants
SC	Schools, Public and Private
SD	Soap / Detergent Manufacturing
SE	Special Event
SF	Single Family
SG	Sand & Gravel Plants

SL	Slaughter Houses
SN	Shopping Center / Strip Mall
SS	Service Station / Auto Repair
TA	Temporary Account
TM	Timber Products
TP	Trailer / Mobile Home Park
TR	Treatment Plant (Sewage & Pump Stations)
VT	Veterinarian / Animal Services
WD	Wholesale Distributor (Water)
WH	Warehouse/Distribution
WP	Water Processing
WS	Water Supply
WT	Water Treatment
